

## Digital scales and readouts

- Easy to connect, positive plug connection
- Metric/imperial readings
- Zero facility
- Battery powered
- Connecting cable/cables included

Single axis  
Item No. 9493

Two axis  
Item No. 9494

Replacement batteries  
2x Item No. 8880A

## Scales for use with the above readouts

- Robust construction
  - Easy to read counter
  - Functions: in/mm, ABS, hold, on/off, zero
- Please note these scales are not liquid proof.

Horizontal

Item No.	Length
9496	0-100mm
9497	0-150mm
9498	0-200mm
9499	0-300mm
9500	0-400mm
9501	0-500mm

Vertical

Item No.	Length
9502	0-100mm
9503	0-150mm
9504	0-200mm
9505	0-300mm

Replacement battery  
Item No. 8880A

Scales can be operated without independent readout

## Digital indicator

- 0-12.7mm/0-1/2"
- Push button controls. Met/imp. Off/on. Zero
- Resolution 0.01mm/0.0005"
- Stem or lug mounting
- Stem diameter 5/16"

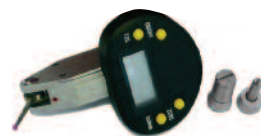

Item No. 9057 Replacement battery Item No. 8850A

## Dial test indicator

- Range 0-0.5mm/0-0.2"
- Resolution 0.01mm/0.0005"
- On/off. Zero setting
- Metric/imperial setting
- Tolerance pre-setting function
- Dovetail mounting

Item No. 5572 Replacement battery Item No. 8850A

## Digital scales

Remote readout scale with attached counter

- Inch, metric and fractions
- Magnetic counter
- Designed to be easily cut to suit specific requirements

Please note these scales are not liquid proof.

Item No. 8858 575mm Replacement batteries  
Item No. 9495 1000mm 2x Item No. 8880A

## Digital protractor

- Produced in heavy gauge stainless steel
- Large, clear, easy to read digits
- Reads down to .05°
- Stainless steel arm - 150mm length / 2.5mm thickness
- Stainless steel body - 130mm width / 3mm thickness
- Large nut to hold position
- Zero, hold and on/off functions
- Powered by a lithium cell battery 3V supplied

Item No. 9364 Replacement battery Item No. 8880A

## Mini digital protractor

- Large LCD screen.
- Resolution 0.1°
- Repeatability ±0.1
- Measuring range 0-360°
- Magnetic base
- Dimensions 50x50x25mm

Item No. 5417

Replacement batteries  
3x Item No. 8880A

## Digital angle rule

- 2 stainless steel 200x35mm rules
- Metric, imperial measurements
- Positive lock at any angle
- On/off/hold functions

Item No. 9450

Replacement battery  
Item No. 8880A

## Digital angle finder

- Rigid construction for everyday use
- Large, clear digital display
- 360° x 0.05°
- Built in spirit level
- Stainless steel blade pivots on tough aluminium body
- Dimensions in closed condition 265x22x50mm

Item No. 3048

Replacement battery  
Item No. 8880A
