

Angle plates

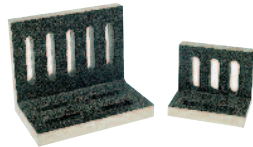

- Suitable for Myford 7 series lathes
 - Five slots 25.4mm long
- Dimensions: LxWxH 150x56x50mm
Item No. 8942

- Suitable for Myford
- Dimensions: LxWxH 100x50x60mm
Item No. 8969

- High quality seasoned castings
 - Accurate precision ground finish
- Dimensions: LxWxH 75x50x63mm
Item No. 9046
Dimensions: LxWxH 115x89x75mm
Item No. 6172
Dimensions: LxWxH 178x115x140mm
Item No 6173
Dimensions: LxWxH 150x89x125mm
Item No 9047

Webbed angle plate

- Very robust compact angle plate
 - Cast iron, ground on all faces
 - Black wrinkle finish to un-ground surfaces
 - Three vertical and two horizontal slots 9mm clearance
 - Webbed design for increased strength
- Dimensions LxWxH 77x55x55mm

Item No. 3074

Vee angle plates

- Fully ground cast iron
 - Extremely versatile incorporating a vee to accommodate round sections
- Dimensions: LxWxH 125x75x75mm
Item No. 8960
Dimensions: LxWxH 150x100x100mm
Item No. 9045

Slotted angle plates

- Suitable for WM240/250
 - Supplied with two tee nuts and bolts
 - Tee nut size: 15mm clearance
 - Slide slot width 9mm clearance
 - Dimensions: WxH 103x114mm
- Weight 1.76kg

Item No. 9538

Tee nut to fit 9538 angle plate
Item No. 9528

- Webbed for rigidity
 - Tee slot width 15mm
 - Tee width 20mm
- Dimensions: LxWxH 165x125x115mm

Item No. 9040

Tee nut to fit 9040 angle plate
Item No. 9371

- Tee slotted
 - Cast iron, ground on all faces
 - Black wrinkle finish to un-ground surfaces
 - Four slots 8mm clearance
 - Two tee slots
 - Tee slot width 10mm clearance. Overall depth 11mm. Tee 17mm clearance
- Dimensions: LxWxH 130x80x80mm

Item No. 5458

Tee nut to fit 5458 angle plate
Item No. 9370

- Made of hardened and precision ground tool steel
 - Central hole is provided for drilling or removing pins
 - Vee block has four 3/8" tapped holes, two in the base and one each side for clamping
 - Holding capacity 33mm
- Dimensions: LxWxH 92x48x48mm

Item No. 8050

- Supplied as a pair with two clamps
- Hardened and ground tool steel
- Precision ground matched pair to 0.0002"

Capacity 1"
Dimensions 42x32x32mm

Item No. 6122

Capacity 1/2"
Dimensions 70x40x30mm
Item No. 6123

For use as conventional vee block or in conjunction with machine vice to accurately and safely support round workpiece.

Item No.	Length	Width	Height
9149	50mm	19mm	24mm
9150	75mm	25mm	35mm
9359	100mm	35mm	50mm
